Make Your Wish Come True

Each year the Tustin Community Foundation makes a wish that the needs of every organization in Tustin will be fulfilled. To make our wish come true we created a **new program** that will help match what your organization wishes for with people in the community that can grant your wish. Join us on the next nonprofit connect zoom meeting to find out how easy it will be for you to connect with members of our community that can **make your wish come true**.
