## To Our Monthly Nonprofit Connect!

THIS MONTH'S SPEAKER **KURT BENSWORTH**

April's Nonprofit Connect spotlight will be on the Tustin American Legion Post 227's Veterans Emergency Assistance Program ("VEAP") that provides local U.S. Veterans with financial assistance for unforeseen, temporary emergencies in the event that funding from other sources may not be easily obtained or readily available. Since referral sources are most often from local community services organizations, Guest Speaker Kurt Bensworth, will highlight the program and provide information that can be taken back to each organization to further serve our members and our community.

Tustin is blessed with a vibrant non-secular and nonprofit community. As we continue through the pandemic, it's impressive and inspiring to see our nonprofit organizations spring to action. You make our community better and we thank you.

Tustin Mayor Austin Lombard and the Tustin Community Foundation invite you to attend a joint Interfaith Connect and Nonprofit Connect on Zoom on the last Wednesday of this month. The Tustin Community Foundation's continuing goal is to keep you up-to-date on community events, learn about your outreach, listen to your ideas, and work together to best serve our community moving forward.
