To our monthly Nonprofit Connect!

This Month's Speaker: Soledad Rivera with CalOptima Health

CalOptima is the single largest health insurer in Orange County and provides coverage for approximately one in four residents living in Tustin. Health impacts every other facet of life, from a child's ability to learn to an adult's ability to work, so healthcare is important to our community.

Tustin is blessed with a vibrant non-secular and nonprofit community. As we continue through the pandemic, it's impressive and inspiring to see our nonprofit organizations spring to action. You make our community better and we thank you. Tustin Mayor Austin Lumbard and the Tustin Community Foundation invite you to attend a joint Interfaith Connect and Nonprofit Connect on Zoom on the last Wednesday of this month. The Tustin Community Foundation's continuing goal is to keep you up-to-date on community events, learn about your outreach, listen to your ideas, and work together to best serve our community moving forward.

Wednesday, May 29, 2024 Noon - 1:00 pm on ZOOM
